1 WHEREAS, the MDL Panel will determine whether all actions, including this action,
2 should be transferred and coordinated and/or consolidated under 28 U.S.C. § 1407 for pretrial
3 proceedings. The MDL Panel has set this matter for hearing on May 31, 2007 in Las Vegas,
4 Nevada; and

5 WHEREAS, the parties believe that in the short intervening time between now and a
6 decision by the MDL Panel on transfer and coordination and/or consolidation, a stay of these
7 proceedings will conserve party and judicial resources.

8 IT IS HEREBY STIPULATED by and between Plaintiffs and Defendant Menu Foods,
9 through their designated counsel that this matter, including the deadlines for the parties to
10 participate in class certification and other pretrial proceedings, be stayed pending the
11 establishment of *In re: Pet Food Products Liability Litigation*, MDL Docket No. 1850, and
12 the potential subsequent transfer of this case for coordinated pretrial proceedings with other
actions pending throughout the country.

13 All parties shall, during the pendency of the stay of this matter, comply with their duty
14 to preserve all evidence that may be relevant to this action. This duty extends to documents,
15 electronic data, and tangible things in the possession, custody and control of the parties to this
16 action, and any employees, agents, contractors, or carriers who possess materials reasonably
17 anticipated to be the subject of discovery in this action. "Preservation" is to be interpreted
18 broadly to accomplish the goal of maintaining the integrity of all documents, data and tangible
19 things reasonably anticipated to be the subject of discovery under Fed. R. Civ. P. 26, 45 and
20 56(e) in this action. Preservation includes taking reasonable steps to prevent the partial or full
21 destruction, alteration, testing, deletion, shredding, incineration, wiping, relocation, migration,
22 theft, or mutation of such material, as well as negligent or intentional handling that would
23 make material incomplete or inaccessible. If the business practices of any party involve the
routine destruction, recycling, relocation, or mutation of materials, the party must, to the
extent practicable for the pendency of this order, either:

- i) halt such business practices;
- ii) sequester or remove such material from the business process; or
- iii) arrange for the preservation of complete and accurate duplicates or copies of such material, suitable for later discovery if requested.

IT IS SO STIPULATED.
